04.04.09 Stepping out. Dorothy sure would feel at home at CASA's red shoe party where scores of folks have pulled out their shiniest ruby slippers. Talk about a rocking good time for a most worthy cause! The clubby feel of Limelight and jamming tunes are putting the red-clad feet to work, too. Cheers to the good folks who're stepping up and out for CASA.

04.18.09 Starry night. There's something big happening in Cool Springs. Am I dreaming or did Herschel Walker just walk by? And isn't that Troy Gentry of Montgomery-Gentry? How did this group come together? It's the Make-A-Wish Foundation's fundraiser and you can't find something to bid on at this event, you must be a monk. Not even a monk would bid on these auction items if it helped make a child's dream come true. When you look upon a star...

04.18.09 I believe the children are our future. The good souls here at the Embassy Suites in Cool Springs are enjoying a glamorous evening for the kids at this year's Legacy Ball. The fundraiser for the Williamson County Child Advocacy Center, a fabulous organization that has already helped more than 1,000 children suffering from abuse.
